

Getting to the ISA/South 2008 Conference

By Automobile

1. Take Interstate 95 to Central Virginia, 90 miles South of Washington, DC.; 100 miles north of the North Carolina border; 12 miles north of the intersection of Interstates 64 and 95.
2. From the South take Exit 92B - Route 54 West (Ashland).
From the North take exit 92. – Route 54 West (Ashland).
3. The Hampton Inn is located approximately $\frac{1}{4}$ mile from the Exit on your left. A shuttle service is available between the Hotel and the RM-C campus.
4. To get to the R-MC Campus by car continue on Route 54 West across Route 1 (your third light). About $\frac{1}{2}$ mile after Route 1, turn right onto Henry Street (across from the Post Office). Take the next left onto College Avenue.
5. Parking for the ISA/South conference is available on your right between Thomas Branch Hall and Washington/Franklin Hall and to your left in the Physical plant parking lot.
6. The conference registration desk is located in the Atrium of Thomas Branch Hall.

By Amtrak Train

It couldn't be easier! There is an Amtrak station in Ashland, immediately adjacent to the campus. Just give Amtrak a call for schedule information.

By Airplane

The closest major airport to R-MC is Richmond International Airport, which is served by most major airlines. It is located thirty minutes from campus. Randolph-Macon College will provide a free shuttle service from the Richmond Airport (RIC) to the Hampton Inn in Ashland on Friday the 17th from 8:00 A.M. to 4:00 PM. There will be an R-MC representative in a bright yellow shirt at the bottom of the escalator at the entrance to the baggage claim area at RIC to provide information and help coordinate shuttles. If you are arriving by plane on the 17th, to insure expeditious service, it would be helpful if you could e-mail us with your approximate arrival time. There will be a sign-up sheet at the hotel for the return trip to the Airport on Sunday the 19th.

Transportation to and from the Airport to the hotel is also available through commercial carriers. Cost for the commercial carriers for one person one way is about \$40.
